The ATEMI BUDO ACADEMY is a style-free center of knowledge for Budo-spirited and noble-minded warriors. For martial artists who do not want to defeat, but aid each other, who value self-recognition, continuous learning and diligent training. For ones who prize mutual respect and love, and whose vision of the world is one that is centered around love and humility. The ATEMI Martial Arts Budo Academy is an umbrella non-profit organization. Support future generations, and to fight for a new, noble-minded world. All this, with the help of combining the respect towards our ancestors and traditions, and the knowledge gained by the most advanced scientific research. That is ATEMI BUDO ACADEMY.
